Detail of label on reverse of painting

THIS WAS "MUDDY BAY" and is now the PORT of AIRLIE

Our community, after years of negotiation with the State Co-Ordinator General, agreed to an integrated 3-5 storey resort being built here on reclaimed seabed. The applicants, Meredien AB (in receivership), gained approval from Whitsunday Regional Council to build a 12/13 storey tower on this site, despite the town plan limit of 5 storeys and nearly 2500 objections from our community and visitors.

THIS SITE IS THE SUBJECT OF SAVE OUR FORESHORE'S APPEAL to the PLANNING AND ENVIRONMENT COURT - to be heard 18 to 27 April 2023 - and why we need your financial support to meet our not inconsequential legal costs.

Thank you for your donation and/or bids in this Whitsunday Art Auction
